2.	Quarying, conveying and stacking rubble at Anicut site. Cost of explosives to be borne by the Piece-worker, deduction for voids to be made from 40 per cent to 60 per cent depending upon the mode of building lots. Establishment charges for blasting will be borne by the Department	1,000 Units	100
3.	Bond stones from approved quarries of hard grey granite variety. Supply to be given at Anicut site.—		
	(*a*) Thirthahally Quarry ...	100 Units	100
	(*b*) Kallur Quarry ...	200 ,,	

Bond stones at the front face should be rectangular in shape and in one place at right angles to the length of stone. Stones not answering this specification will be rejected. Cost of explosives to be borne by the Piece-worker. Establishment charges for the blasting will be borne by the Department.

Details of specifications will be made available at the Office of the Executive Engineer, Tunga Anicut Division, Gajanur on any working day between 11 A.M. and 5 P.M.

The rates quoted should hold good till the end of October 1953.

Earnest money should be credited under the head "Revenue Deposits" and the Treasury challan enclosed along with the quotation. No cheques or cash will be accepted.

The Piece-worker should pay himself royalties, Sales-tax or any other tax that may be prescribed from time to time by Government. Deductions will be made out of his bills provided he furnishes his acceptance in writing.

Workmen's Compensation as per G.O. No. 4787-89—Irn. 21-52-1, dated 27th August 1952, the Piece-worker has to empower the Executive Engineer to effect such recoveries from his bills as may be necessary for payment of compensation to disabled persons employed under them; care being taken to see that Government is not to put any loss on any account.

The quotations will be opened on 24th April 1953 at 5 P.M. by the Executive Engineer or any one authorised by him. Such of those who want to be present at the time of opening the quotations may do so.

The Executive Engineer reserves the right of distributing the work on Piece-work System amongst those who have quoted and who are willing to take up the work at the accepted quotation rates.

Lowest quotationer will be entrusted with not less than 50 per cent of the work.

Such of those who have quoted and are willing to do the work on piece-work system at the accepted quotation rates shall execute a mutchalika on a departmental form in favour of the Executive Engineer within a week the quotation is accepted when the quantity every week will be stipulated with penalty clause for non-compliance of terms of supply.

On the acceptance of the above mutchalika, the earnest money of such of those who execute the agreement as specified above will be taken as security for the due fulfilment of the piece-work.

The Treasury chellan of such of those who are not entrusted with work will be returned to them to obtain repayment at the Treasury.

1 The contractor shall quote for each individual item of work both in words and figures in the estimates and the rates quoted shall hold good till the works are completed. The rates quoted should include provision for payments of sales-tax, royalty or any tax due to Government.

2 The tender will hold good till the acceptance or otherwise by the competent authorities.

3 For lumpsum provision or for non-tendered items the rates will be paid as per current minimum schedule in the case of scheduled items and rate with ten (10) per cent profit for items which do not find place in the schedule.

4 No conditional clause will be accepted.

5 No cheques will be accepted for earnest money and no request for the adjustment of amount due by the Government can be entertained.

6 Tenders will not be considered unless they are in the prescribed form, which will be supplied on payment of Re. 0-4-0 at the Office of the Executive Engineer, Chikmagalur Division, Chikmagalur.

7 The successful contractor shall bind himself to abide by the departmental rules and specifications in force and shall execute the necessary mutchalika within seven days from the date of intimation of acceptance of his tender failing which, his tender will be cancelled unconditionally and his earnest money will be forfeited.

8 Each tender should be accompanied by a Treasury Chellan for Rs. 2,300 as earnest money paid to the Treasury to the credit of "Revenue Deposits".

9 The final acceptance of the tender will rest with the Chief Engineer of Mysore, Bangalore. The estimate and plan will be available for perusal of intending tenderers and any further particulars required will be had at the Office of the Executive Engineer, Chikmagalur Division, Chikmagalur, on all working days during office hours.

10 The Department is not bound to accept the lowest or any tender or to assign any reason whatsoever for the rejection of any.

11 The cost as per current rate of cement and steel or value at the controlled rates at the time of execution will be recovered from the bills in case they are supplied departmentally. The materials can be had from the nearest Departmental Stores. An additional ten per cent on cost of the materials supplied from the Department will be charged as centage.

12 Reserve and earnest money deposits will be repaid only at the time of settlement of final bill.

13 Tendered contractors have to pay compensation to the disabled workmen working under them for any injury or death caused or occurred during the execution of this work, failing which, the amount will be deducted from the bills and paid to the injured or to the legal heirs of the deceased.

14 The term "Specification" mentioned either in the schedule or in the estimate in the notified items would mean "Specific" items of work to be done according to the instructions of the Public Works Department with reference to design, calculations, etc., furnished during execution and no higher rates than tendered ones will be paid.

15 The Department does not undertake the responsibility to supply lorries to the contractor.

16 Quantities given in the notification and schedule are approximate and are liable to alterations. No extra rates will be allowed for such alterations.

17 The works should not be sublet.

18 The contractor will have to make his own arrangements for water required for the works, scaffolding materials, conveying of materials, approach road to quarries, sand bags and necessary precautions from flood damages. No extra amount will be paid for any of the above items.
